Notable features:

Numbers 253-251 are earlier than 259-261. All are nice, and the two vacant houses should be rehabilitated at once to spare the others further delapidation. The condition at the rear of these two derelict houses is as bad as any seen in the entire Study area (see photo).

Environmental context:

Numbers 253 and 255 are vacant. Number 263 is a busy bar, disturbing to the neighborhood. Opposite P.S. No. 161; excellent scale relationship to houses across Saratoga Street.
